### Monmouth results

On Saturday the 1st XV overcame a strong challenge from Monmouth, who are well positioned in the league, by winning 28-17. The score-line belies the performance which could have been much bigger but for a few missed chances in the first half.

The 2nd XV gave an even better performance, brushing aside the opposition with a 40-3 win. (Who caused the 3 points for them?!!)

### Llandaff North

Next Saturday, both teams face Llandaff North on Llanrumney Rec with Kick offs at 2.30pm.

It should be pointed out that although the coaching for the firsts has been superb this season, a club's strength is in its depth of players and support. As both teams are playing alongside one another at the weekend, please give some of your support time to the seconds.

The more support we give to the lower teams, the stronger the club becomes and so we entice more players into the club. When most of the Musketeers played, the club regularly played up to 4 senior sides and a Youth side on a weekly basis and that's the position we must aim to recover.

### Veterans Bournemouth Tour

The Vets had a very enjoyable tour to Bournemouth on the weekend of the Wales-England game but were beaten in the rugby match by some devious English tactics when the opposition played most of their current players as their fixtures had been cancelled - the Cads!!!

## Club shirts

An order is about to be placed for the Green polo shirts with embroidered badge and club title for all players and non-players alike. If you want one please notify me of your chest size ASAP. If there are any Musketeers out there of the 'fuller figure', I still have two of the embroidered short sleeve dress shirts left.
